

# RESEARCH SLAM

## **SRNL invites you to the 2026 SRNL Research SLAM!**

The Research SLAM is a science communication competition. Eight SRNL early career researchers will take to the stage and provide 3-minute summary presentations on their work. Their talks will be tailored to a non-specialist audience, which will be a fun way to learn about the science we do at the lab and what it means for you.

During the competition, the audience will be invited to vote for the favorite presentation, resulting in a People's Choice Award!

**Date:** August 6, 2026

**Time:** 4 to 5 PM, with doors opening at 3:15PM

**Location:** Aiken Community Theatre

126 Newberry Street SW, Aiken, SC

This event is free to attend.

Advanced registration is requested.

Please register by August 1, 2026 using the QR code
