NOVEMBER, 2012

First Semester Winding Down

With our annual Holiday Luncheon being scheduled this year for November 30, November closes out the Fall 2012 term, with no scheduled Academy activities planned for December.

This has been a good term for the Academy, with many interesting courses, and with enrollment that has grown from last year.

On the down side, a number of our classes had far fewer people attending than had signed up for them. Fortunately, this generally happened in courses that did not have restricted enrollment, but nevertheless it can be disconcerting for the volunteers that have toiled to set up the classes and for the instructors who are giving of their time to present them.

The Academy Spring Catalog has gone to the printer and we expect to be distributing them toward the beginning of December. Note that to enroll, you must return the form in the catalog – telephone registrations cannot be honored. For best choice of classes, be sure to enroll as soon as you get your catalog.

Courses/Events Beginning in November

Please see the published course catalog for course and event descriptions and additional information. (The Fall 2012 catalog is available on the web at <http://www.aikenlearning.org/catalog/>). To enroll, return the form in the catalog along with any required payment. For questions, contact Laura Anderson at USCA (641-3563 / lauraa@usca.edu).
