## President's Message

Welcome Back!!

Welcome to the world of 2022 and back to the 2nd half of the Center for Lifelong Learning's first academic year. We hope that you have had an enjoyable and satisfying Holiday period. Our initial fall term was successful, capped by a wonderful Holiday Drop-in where we were entertained by the Savannah River String Band. We eagerly await the start of the Spring term.

We apologize for the extreme lateness of the Spring Catalog. We will be addressing and correcting those failures. However, the list of our 60+ courses have been listed on our website [aikenlearning.org](http://aikenlearning.org) since mid-December. Our Open house is scheduled for 6 January 2022, 9am to Noon; Room 122 B&E Building, UofSC Aiken. Our volunteers have been at work to make the Open House more informative enjoyable and to reduce the wait times for those of you attending.

Because of the increased weeks of the Spring term, we are able to increase the number and variety of courses. So, review our catalog carefully, select all those courses that are of interest, including the "how to" technology courses. Then enjoy the opportunity to learn something that challenges your mind.

As you return to our campus, you will surely recognize several old acquaintances, but more importantly, make new friends with others who also share your enjoyment of learning. There are no tests for the classes, just a celebration of your desire to continue learning and our desire to provide the opportunity to expand or refresh your knowledge.

The challenge of Covid continues so we continue to follow the guidelines of UofSC Aiken.

We look forward to having you in our classes. Let's make the 2nd term even better than the fall term.

**Wayne Rickman, Academy President**
