OCTOBER, 2022

President's Message

Greetings,

Our Fall Semester progresses!

I am pleased to report that we have 60 classes, 378 registered students occupying 1,590 class sessions, and a diminishing wait list.

It is gratifying to see that we have many returning students, and a number of new students in our classes.

This semester we plan to begin recognizing our patrons and supporters through an "Honor Roll," which will be a listing of all those generous individuals and businesses, on a special page of our course catalog. If you wish to become a member of this elite list of supporters, look for forms containing all the details in room #144, or at the Continuing Education office in the Business & Education building.

As an early reminder and for your planning purposes, we will once again sponsor our Holiday Drop-In on December 7th, and we hope that many will attend. Further details will be coming soon.

Sincerely,

David Tavernier, CLL President

Day.

The Book Fare was only possible because of the efforts of our dedicated volunteers, and the Center gives its thanks to everyone who helped us make this a success.
