

# The Spiral

Newsletter of the Center for Lifelong Learning, University of South Carolina Aiken

DECEMBER, 2022

## President's Message

Greetings,

As our fall semester draws to an end, I invite all student comments about your Center of Lifelong Learning experience. Your input allows us to make improvements in the content and delivery of our courses. Any suggestions for new courses is also always welcome.

Spring semester catalogs will be mailed mid-December, and they will also be available at the Continuing Education Office in the Business & Education Building.

We are well aware of some difficulties that certain students experienced in registering for classes this semester, and we have worked hard to alleviate some of the problems, and eliminate waiting lists. It is our hope that you will return on January 4th to register for the spring semester.

As a reminder, we will once again sponsor our Holiday Drop-In on December 7th, and if you plan to attend you must contact the Continuing Education office ASAP.

We look forward to seeing everyone on December 7th, or on Open House day, January 4th.

Sincerely,

**David Tavernier, CLL President**

be provided by Savannah River Stringband, featuring the Center's own Vicki Gibboney.

## Looking Ahead to the Spring Semester

The Fall semester has finished its run, but the Spring semester is right around the corner. The new term kicks off in late January and runs through Early May.

The full USC Aiken Continuing Education catalogs are being printed and those on the catalog mailing list should receive them by mid-December. They will also be available at the Continuing Education office. Electronic copies of the Center for Lifelong Learning section of the catalog will be available for download from the [Center's website](http://www.aikenlearning.org) at about the same time.

The first classes will start January 18 with additional short courses beginning throughout the semester. The final class session wraps up May 2.

Registrations for the Spring semester will be accepted starting at 9 am Wednesday, January 4 and may be submitted online, mailed in, or delivered in person. An Open House is planned for 9 am to noon on January 4 for those with questions or who would just like to learn more about the program.

Further information will be posted in the January issue of *The Spiral*. Check the Center's website at [aikenlearning.org](http://www.aikenlearning.org) for the latest updates in the meanwhile.

## Holiday Drop-In Reception

For those of you who responded to your invitation and reserved your spot, don't forget to attend the Holiday Drop-In Reception being held December 7 from 2 to 4 pm in Room 116 of the USCA Business and

Education Building. The Reception will feature hors d'oeuvres and liquid refreshment. Holiday music will
