

# The Spiral

Newsletter of the Center for Lifelong Learning, University of South Carolina Aiken

MARCH, 2023

## President's Message

Greetings,

Although we are approaching the midpoint in our Spring semester, our general studies and technical curriculum committees are already beginning the planning process for the Fall semester.

Early plans include classes that have a wide appeal in the areas of Aiken history, estate planning, cold war history, along with technical classes designed to help cope with the latest innovations in electronic media - And More!

Be sure to save the date – April 26th, when we will observe our annual Kaufmann Award Lunch. Like last year it will be held in the Etherredge Center lobby at noon. The Kaufmann Award is an appreciation award that honors an individual for outstanding service to the Center for Lifelong Learning. Members attend for free, with non-member guests paying a nominal charge to attend. Be sure to mark your calendar as a reminder to make your reservation.

Once again, thank you for your interest in the Center for Lifelong Learning, and joining us this semester. I look forward to seeing everyone on campus.

Sincerely,

**David Tavernier, CLL President**

## Special Events Committee

The Center is looking to expand its range of learning opportunities for our members. The Board of Directors has voted to establish a Special Events Committee charged with identifying and overseeing such activities. It will be in charge of our annual book fair as well as other non-traditional learning projects. But we can't do it without you, so we're asking for volunteers who would like to help us out.

If this is an area where you would like to help us grow our programs, please send an e-mail to

[vol@aikenlearning.org](mailto:vol@aikenlearning.org). When you do that, we'll get back to you in short order. Thanks in advance for offering to help us!

## Kauffman Remembrance Day April 26

The Center annually pays tribute to Dr. Earl Kauffman, the primary founder of the Academy for Lifelong Learning, which eventually combined with the McGrath Computer Learning Center to become today's Center for Lifelong Learning.

Current Center members will receive an invitation to the Kauffman Luncheon. There is no charge to attend, but an RSVP to the invitation is required to reserve your spot and allow for even planning.

## Catalog Updates

The following changes to the printed catalog have been announced recently. Please be sure your copy of the catalog reflects these changes. A cumulative list of all changes is available on the Center's website ([click here](#)).

*Falun Dafa* – the final session will meet 3/15 instead of 3/8.

*Exploring Amazon Fire Tablets* (original start date 3/16) – now 3/23 and 3/30.
