DECEMBER, 2024

President's Message

Dear Fellow Students,

As our Fall semester comes to an end, I would like to thank you for your support and continued interest in the Center for Lifelong Learning's course offerings.

Our Spring semester course catalog is nearing completion and will be available in the mid-December timeframe. The new catalog will feature some sixty general interest courses and field trips, and nearly thirty technical courses. As has been our practice they will include a wide range of topics, some of which have been suggested by students via our class evaluation forms, particularly those that have received excellent evaluations.

We are planning our open house Registration Day for the new semester to be held on January 8th from 9 am – 12 pm in the Business & Education Building. Please check the new course catalog for more details, and mark your calendar to attend.

Please remember to save December 10th for our annual Holiday Drop In, from 2-4 pm, offering food, entertainment, and fellowship in the lobby of the Etherredge Center.. And, as a benefit of your membership, there is no charge to attend this event, but you must RSVP Taryn Wallace in the CLL administration office at taryn.wallace@usca.edu if you plan to attend.

The CLL board and staff look forward to seeing you all at the Drop-In.

David Tavernier, CLL President

Don't Forget the Holiday Drop-In Event

The annual Center for Lifelong Learning Holiday Drop-In will be held Tuesday December 10, from 2:00 to 4:00 PM in the lobby of the Etherredge Center.

The Reception will feature hors d'oeuvres and liquid refreshment. Holiday music again will be provided by *Savannah River Stringband*, featuring the Center's own Vicki Gibboney.

Invitations to this event were sent to all this semester's CLL registered members in early November. There is no charge for members, but an RSVP is required to reserve your spot and allow us to plan accordingly.

Looking Ahead to the Spring Semester

Fall semester classes had their last gasp in November, but the Spring semester is right around the corner. The Spring catalog, listing over 80 General Interest and Technology courses, has been put to bed and has gone to the printer.

Tentative Timeline:

- Dec 3 (target date): Course information available on website
- Mid-Dec: Catalog distribution begins
- Jan 8: Open House & Registration opens
- Jan 13: Classes begin
