Fall 2025 Registration Info

Membership in the Center For Lifelong Learning is required in order to register for CLL classes and events. An individual semester's membership costs \$35, payable at time of registration. Classes and events are priced individually.

The first Fall classes begin August 18 with additional short courses beginning throughout the semester. The final class session wraps up November 20.

Registration Options:

Beginning August 12

Registration Open House

The Center for Lifelong Learning Fall Registration Open House will be held Tuesday August 12 from 9am to noon, in USC Aiken Business & Education Building, Room 122. There you can get questions answered, register in person, socialize with some of your fellow learners, and grab a refreshment or two.

Due to the limited number of credit card readers available to us, payment by cash or personal check will help expedite the registration process. ***If paying by check, please do not pre-enter the payment amount in case unexpected changes must be made.***

Bring your *drivers license* and *auto registration* in with you to the Open House so that you can obtain your required campus parking pass in the same visit.

Online Registration

Registering online also begins 9:00 am August 12. Go to aikenlearning.org/online.html in your web browser. Payment is by credit card only.

Beginning Wednesday August 13

Walk-in registrations will be accepted at USC Aiken Business and Education Building, Room 104. Bring your drivers license and auto registration in with you so that you can receive your campus parking pass in the same visit.

Please note: Due to more stringent credit card security requirements by the University we regret that mail-in and telephone registrations can no longer be accepted.

Courses and Events Beginning in August

Many of our classes fill quickly. Before attending you must pre-register to assure there is a place for you.

The first few courses begin in August. Click each item name to access its full description from the CLL website listings (aikenlearning.org/courses.html).

COACHES WANTED

Submitted by Vicki Gibboney, Technical Curriculum Chair

Want to learn more about artificial intelligence? Or how to use Apple iCloud? Or how to make better use of Apple's Photos app? Or how to use Excel or Word or Windows 11? Or how to set up a home security system? These classes and more will be taught starting in late August. If you know a little bit about the subject and want to help out as a coach, please email vickigibboney@gmail.com. And you won't have to pay for the class!
